The case against Mr. Tate was dismissed. Because he is no longer a party, we do not believe it is appropriate for us to participate.

Good afternoon,

The procedural posture of this case has made it a little difficult to figure out who exactly is getting what on ECF at this point. We just wanted to let you know that the government is intending to seek a superseding indictment in this matter that will include charges against Mr. Benton and Mr. Tate.

I believe the Court has issued an order setting a telephonic status conference for November 13. Let me know if you did not get the dial-in info on ECF.

Thanks,  
Jonathan
